

ARBOLES UK LTD

LABORATORY TAPS, SAFETY SHOWERS AND EYE WASHES

The Arboles UK Non Toxic Walkthrough Disinfectant Booth

Product Code: Arb-DIB

Description: A dry fog is generated within the booth using Anolyte ANK, our non-toxic disinfectant that kills Viruses, Pathogens or Bacteria that might be carried by a person passing through the booth. Designed for both temporary and permanent uses, the fogging booth can be transported on a pallet and assembled very quickly. Ideal for use in bars, restaurants, factories, offices, stadiums and anywhere where there is a throughput of people and a concern for extra hygiene.

The decontamination booth runs on a 240v power supply. The disinfectant used is totally odour free, non toxic and non alcohol making it ideal for places of worship too. It is 80 to 120 times more effective than Sodium Hypochlorite (bleach), so it kills viruses and bacteria quicker using less product at a low strength.

Features:

- Activation is by PIR sensor
- 60 litre tank
- A flow rate of 6.5 L/hour
- Empty weight is 65kg
- Dimensions are 2048mm x 1657mm x 1000mm
