The Anti Finger Trap Hinge

Introducing our unique anti finger trap hinge. Ideal for the education laboratory market.

Our robust, nickel-plated, zinc alloy, 270-degree hinge excels in strength and safety. Designed to prevent finger trapping, this hinge offers the utmost protection, making it ideal for:

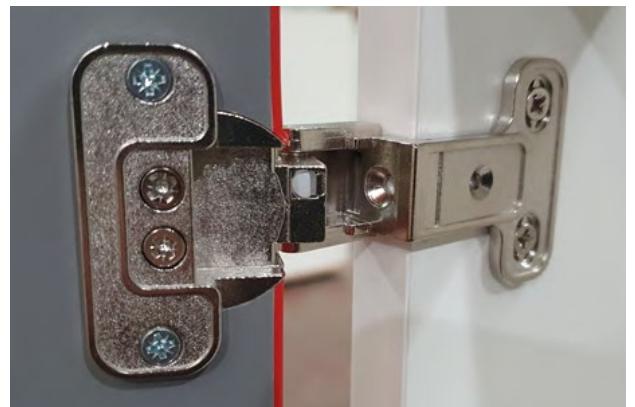

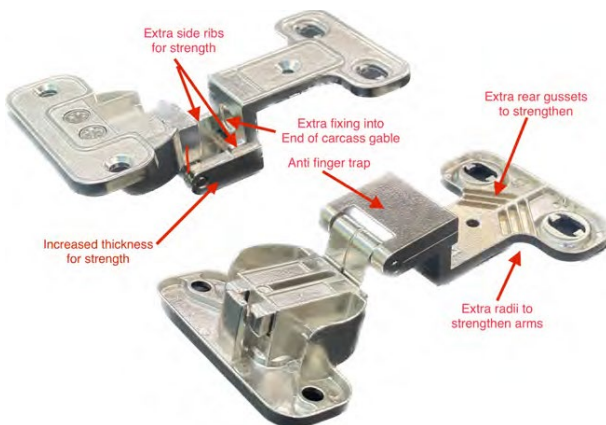

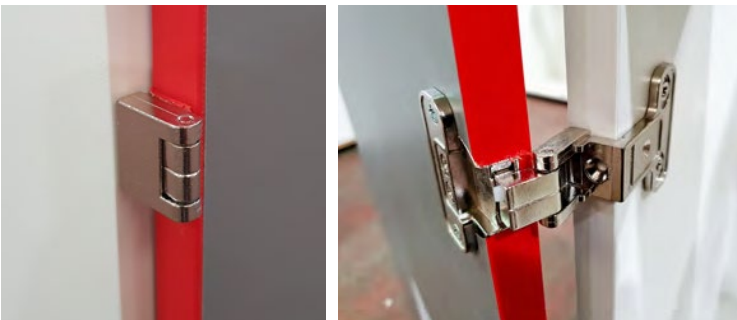

- **Schools**
- **Colleges**
- **Education projects**

With a reputation for tried and tested quality, our anti finger trap hinge guarantees reliable performance. It has a low-profile design ensuring seamless visibility when mounted – enhancing the aesthetics of your educational spaces.

Key Features:

- Robust construction
- Nickel-plated zinc alloy
- 270-degree opening
- Anti finger trap design
- Low-profile for seamless integration

Elevate the safety and functionality of your educational facilities with our anti finger trap & HTM hinge

Unit 56, Flexspace Business Centre, Manchester Road, Bolton, BL3 2NZ.
